Description

The idea of organising a “Building Bridges in Conflict Areas” training course rose during the 2007 annual meeting of national Agencies of Youth in Action programme and SALTO Ressource Centres. Sefa Yahsi, director of Turkish National Agency (NA) invited SALTO Eastern Europe and Caucasus as well as SALTO South East Europe and SALTO Cultural Diversity to cooperate on common training. He underlined the role of Turkey as the cross-point for many cultures, religions and languages and emphasised common history of his country and regions of Eastern Europe, Caucasus and Balkans.
