### Année

2000

### Thématiques

Interculturalité

### Type

Outil pédagogique

### Public

Animateurs et responsables de jeunesse

## Description

Language skills and intercultural awareness are essential in the organisation of international events. More and more youth organisations now need to be able to provide their members or European volunteers with the necessary skills to communicate in international settings (international events or volunteering in a host country). This T-Kit presents a methodology for learning language and developing commu nicative ability in a target language.

## Langue

Anglais
